Great first line golf unit with sea views from its sunny terrace! Very bright throughout due to its south orientation. Golf, sea and Gibraltar (as well as Morocco mountains) views from the living and dining room, master bedroom and of course terrace. Nice layout with an open space as you enter, including kitchen, living room, and a separate dining room area with enough space. The rest of the unit includes a master bedroom of good size with ensuite bathroom, a second bedroom, and second full bathroom. The price comes with a private underground parking spot, and a big storage room. Urbanisation has 24h security, several adult and children swimming pools, mini market, saunas, club house with restaurant, and of course direct golf access, all waking distance. Keys in office!
