For sale: 45 parking units in the Carvajal area with sea views. This is an opportunity for both investors and those looking for their own private, secure parking for trips to the beach. This area is in high demand for its wonderful beaches, and during the summer season, it's difficult to find available parking spaces. The KALIFATO is located just steps away. Don't miss this great opportunity to visit and acquire parking spaces for your convenience or as an investment. WE LOOK FORWARD TO SEEING YOU.
