The property is approximately 200m2 built with a 444m2 garden (designed by Flory plant, a local award winning design company) and a 40m2 heated pool. The tropical gardens and pool are maintained by the community known as Villas de Bahia de las Rocas. Being built in 2018 and property managed by a leading property manager, this property always presents itself immaculately. Indeed it offers a wonderful opportunity to generate income with summer weekly rentals between 3500-4000/week. The highlight of this property is the panoramic sea views. Gibraltar and Africa are clearly visible and being perched on a hilltop these views will remain forever. With 4 good sized bedrooms, 3 bathrooms, a modern open plan living kitchen/living room, a covered terrace with retractable glass curtains, electric persianas, light wood flooring on the 2nd floor, double glazing, Electrolux appliances, modern electrics from switches to centralised A/C this is all the pleasures of modern living with a certain je ne sais quoi. This villa is a lock and leave holiday home, a permanent family retreat, a rental income investment property - it is all combined into 1.
