This new residential project features 87 homes in a prime residential area of Estepona, offering a balanced mix of apartments and townhouses designed with modern style, functionality, and comfort in mind. Close to the Municipal Sports Stadium and the Felipe VI Theatre, the area is well-served and surrounded by supermarkets, shops, schools, and public transport, with direct access to the beach and roads. The marina and Estepona's vibrant gastronomic scene are also close by. Inspired by the soft Mediterranean landscape, all buildings are south-facing to maximise natural light and sea breezes. Residents enjoy exceptional communal areas, including a saline-chlorinated swimming pool, private gym, underground parking, and storage rooms — all within a secure gated community. The homes stand out for their bright, open layouts, spacious terraces, and high-quality finishes, offering versatile spaces to enjoy the Costa del Sol lifestyle all year round.
