La Alcazaba is an exclusive community that boasts a long history in Marbella. It was developed by the famous architect, Melvin Villarroel, who designed Puente Romano and many other stunning developments along the coast. The development has a central location in the heart of Puerto Banús, close to the beach, the harbour and all major shops, bars and restaurants in Marbella. Despite being in the centre of Puerto Banús, the complex truly feels like an oasis with mature gardens and Moorish fountains. This duplex penthouse has been recently refurbished, furnished and decorated to the highest standards. Individual floorheating and aircon in all rooms. The property has 4 spacious bedrooms and 3 ensuite bathrooms. On the upper floor, you'll find an impressive open-plan living and dining area, kitchen, guest toilet and 2 spacious outdoor terraces with stunning views of the lush, manicured gardens, tranquil ponds and the communal swimming pool. The apartment comes with an underground parking space and a storageroom.
