The calle's contemporary architecture is designed to impress, creating a minimalist exterior with natural elements and a spacious interior bathed in light due to extensive use of glass. The layout includes six bedrooms, including a master suite with state-of-the-art walk-in wardrobes and boutique style bathrooms and access to a Jacuzzi, enjoying direct access to a covered terrace. The open-plan kitchen, dining and living space leads to a large terrace, a sundeck, multiple patios and terraces, a gazebo and an impressive private infinity swimming pool. Other features include a butler's kitchen, TV room and parking spaces for 6 cars. Construction starts in April 2025 and finishes in September 2026.
