This luxury 3 bedroom and 3.5 bathroom property is located in a small exclusive, gated complex in the Cabopino / Artola area and it has some of the most beautiful views that we have seen all along the coast of East Marbella and to the east and over the mountains of Africa. The property has high quality cream **Covered Terrace** electric window shutters classic staircase. The house also has large larger than average bedrooms also with amazing views. There is a private garage included and a community pool for owners. This is really a must see property.
