Fully Renovated 2-Bedroom Apartment with Sea Views in Cabopino This exceptional 2-bedroom apartment in Cabopino offers the perfect combination of modern comfort, quality craftsmanship, and an unbeatable location close to the beach and golf. Fully renovated in 2026 to the highest standards, the apartment has been thoughtfully redesigned to create a bright and open living space. The renovation included newly rendered walls, brand-new windows, a completely reconfigured layout of both bathrooms, a tailor-made kitchen, new air conditioning with AirZone technology, and custom-made curtains. Every detail has been carefully selected to ensure both style and functionality. The apartment is sold fully furnished, making it a turnkey opportunity for either permanent living, a holiday home, or investment. Located on the first floor and south-facing, the apartment enjoys beautiful open sea views and an abundance of natural light throughout the day. Being a corner unit, both bathrooms benefit from natural light and ventilation through windows — a rare and highly appreciated feature. The spacious enclosed terrace functions almost as a second living room, creating additional year-round living space while still allowing you to enjoy the stunning views. With a total built area of 135 m² including the terrace, the layout feels generous, bright, and extremely comfortable. Situated in Phase I, the section closest to the golf course, the apartment enjoys a peaceful setting with no road noise at all. Yet, it remains within easy walking distance to the beach and the charming Cabopino marina with its restaurants and cafés. A private garage space is included in the price. An outstanding quality property with beautiful sea views in one of Marbella's most sought-after coastal locations — ideal for those looking for comfort, tranquility, and proximity to everything.
