From the stairs to the right you have a full bathroom, a spacious living / dining room with plenty of natural light coming in from the large sliding doors and a spacious kitchen with room for a seating area. There is also outside stairs that takes you up to the second level terrace. Following the internal stairs to the second floor, you have a storage room, a fully equipped bathroom to share between the 2 bedrooms (with built in wardrobes) and at the end of the corridor you will find the master bedroom with a walk in closet and a huge bathroom with separate shower and jacuzzi bath.
