Fantastic ground-floor apartment in Casares Golf! This stylish and well-designed home offers two spacious bedrooms and two modern bathrooms, created for both comfort and functionality. The large sunny terrace with its private garden becomes a natural extension of the living space — perfect for dining, long dinners or social gatherings all year round. The apartment is in excellent condition and has been very well maintained by the current owners. Modern conveniences include a lift, underground parking space, and a private storage room. The urbanisation features three beautiful swimming pool areas surrounded by well-kept tropical gardens. The community also offers excellent accessibility, including ramps and pool chairs adapted for people with reduced mobility. Here you will enjoy a peaceful, clean, and welcoming environment suitable for all ages, with an international year-round community. This elevated ground-floor apartment combines comfort, style, and an attractive location, making it an excellent choice as both a permanent residence and a holiday home. Please note that a new development project is planned in front of the property. This means that the current open views will change as future buildings are constructed in front of the apartment..
