Nearly new and perfectly positioned in the heart of Fuengirola, this bright penthouse offers the best of both worlds: just steps from the beach and the vibrant city centre, yet set on a quiet street that feels pleasantly removed from the buzz. The home is accessed by lift and stands out for its excellent finishes covering every square metre and well used. Natural light comes in throughout the apartment, enhancing the fresh, contemporary feel. The well-equipped kitchen is practical for everyday living, while the layout includes two comfortable bedrooms and one bathroom. Both bedrooms feature generous fitted wardrobes. A key advantage: the property comes with a valid tourist licence, a significant benefit for anyone considering short-term rentals. Residents also enjoy a beautiful rooftop terrace with a plunge pool and sauna, adding a lifestyle touch that's rare in such a central location
