Great opportunity to acquire a spacious villa in a quiet area with beautiful views. The property welcomes us from its entrance, with parking for several vehicles. Entering the property there is a hall with a marble floor, as well as a large bedroom on the ground floor. Taking the stairs we go down to the next level, with two bedrooms sharing a bathroom. Then we reach the stately living room, spacious, with fireplace and sitting room. Separate dining room, connected to the kitchen by an elegant handrail. The kitchen is large, with a large island in the middle, ideal for cooking or having breakfast. Exit to one of the terraces. Finally large bedroom ensuite with dressing room. Large gymnasium. Outside we have several terraces, barbecue area, two storage rooms and swimming pool. There is also unused land within the plot which could be used as a garden or other uses. The owners own the adjacent plot (not included in this price), a large extension of 1750 m² with a buildability of 0.25% and a huge potential to build one or several more villas. Undoubtedly the villa given its location is very worthwhile. Visit it to appreciate in person its qualities and category.
