Also on this floor are two en-suite bedrooms with access to the terrace, and a separate kitchen. Upstairs, there is the master bedroom, also with an en-suite bathroom and access to two terraces. The apartment is in its original condition, giving the new owner the opportunity to update and personalize it to their tastes and needs, further enhancing its value. The property also includes an assigned underground parking space, a highly valued feature in the area and one that only a few owners in this community possess. The development is known for its family-friendly atmosphere and communal areas, including a large communal swimming pool, a paddle tennis court, and extensive mature gardens throughout the complex, creating a safe and pleasant environment for residents of all ages.
