Nestled in the breathtaking heights of La Mairena, lies a residence that redefines the concept of a hilltop sanctuary. This five-bedroom detached villa is not merely a home; it is a grand viewing gallery designed to provide the most spectacular panorama with **Access for people with reduced mobility**. From the rugged summits of the mountains to the endless blue of the sea, every window serves as a living canvas. Open embracing the sense of scale in its walls. The architecture strikes a perfect balance between contemporary luxury and functional elegance, spanning an impressive 527m². The heart of the home is characterized by fluid, open spaces that bask in the glow of an East orientation, ensuring that every morning begins with a flood of golden light. Whether you are ascending to the private solarium for a sunset cocktail or retreating to the basement for a session in your private gym, the inclusion of a sleek internal lift ensures that luxury remains accessible across every level. The villa is masterfully designed for those who value privacy without isolation. Each of the five bedrooms is a private suite, offering direct access to the terraces that wrap around the property. Outside, the 1,520 m² plot is a masterclass in Mediterranean landscaping. The private garden offers a lush, green contrast to the sparkling turquoise of the swimming pool, creating an outdoor oasis that feels completely detached from the outside world. Despite its serene, forest-side setting, the property remains exceptionally well-connected. You are minutes away from the manicured greens of world-class golf courses, prestigious international schools, and the refined amenities of the local town. Secured within a gated complex and equipped with an advanced alarm system, the estate offers a rare peace of mind. This is a residence for the discerning buyer—a place where the grandeur of the mountains meets the sophistication of a luxury resale estate, resulting in a home that is as soul-stirring as it is beautiful.
