Private Terrace enhances both comfort and functionality. The apartment opens onto an expansive private terrace, offering both covered and open areas with over 70 m² of outdoor space. Its south to south-east orientation allows for abundant natural light throughout the day, creating an ideal setting to enjoy the Mediterranean lifestyle, from relaxed mornings to sunny afternoons. The property also includes a private garage space and a storage room. The community has been designed with lifestyle in mind, featuring a range of premium facilities including an open-air co-working space, tennis and padel courts, a yoga area and an outdoor gym.
