Elegant Mediterranean Villa with Sea Views & Independent Guest Apartment | Marbella Set within one of Marbella’s most established and desirable coastal neighbourhoods, this spacious five-bedroom villa combines privacy, generous living space and an exceptional location just moments from sandy beaches, prestigious marinas, championship golf courses and some of the Costa del Sol’s finest restaurants and beach clubs. Designed across two levels, the villa offers a practical layout ideal for both family living and entertaining. The main floor centres around a bright and spacious living room with a feature fireplace, alongside a fully fitted kitchen, separate utility room and guest WC. Two bedrooms are also located on this level, including the principal suite with a dressing area and en-suite bathroom. Air conditioning throughout ensures year-round comfort. The lower floor has been thoughtfully arranged as a self-contained guest apartment, providing complete independence for family or visitors. It comprises three further bedrooms, three bathrooms, a second living room and an indoor kitchen with a barbecue area, creating the perfect space for extended stays or entertaining. Outside, beautifully landscaped gardens surround the property, offering complete privacy and a peaceful Mediterranean setting. A private swimming pool takes full advantage of the sunny climate, while spacious terraces capture panoramic sea views extending across the coastline towards Gibraltar. The property also benefits from a secure garage and a separate technical room providing pool equipment storage and additional practical space. Offering generous accommodation, versatile living and an enviable lifestyle location within walking distance of the beach and marina, this is a superb opportunity to own an established Marbella home equally suited as a permanent residence, holiday retreat or investment.
