One hundred square metres of thoughtfully composed interior space open onto a 30 m² south-facing terrace, framing uninterrupted views across the sea and the La Concha mountain range. Two double bedrooms and two bathrooms are finished with high end furnishings throughout, curated to move-in readiness. A full Control4 home-automation system places lighting, shutters, water and hot & cold air conditioning at your fingertips — even programmable dimmable, schedulable and controllable from your smartphone, at home or away. The kitchen is a statement in itself: matte black hardwood cabinetry against a seamless stainless-steel counter, equipped end-to-end with Gaggenau appliances. An underground parking space and private storage unit are included.
