Live above the Mediterranean. Feel the calm of the mountains. Enjoy an independent, private and contemporary villa in one of the most desirable areas of the Costa del Sol. This is a boutique development of 4 independent villas located in Buena Vista, in an elevated position above the Higuera Valley, where the tranquility of the mountains meets the proximity of the Mediterranean. 4 New villas: one fully furnished and ready to move in, two completed and ready to be personalised, and one soon to begin construction. This exclusive residential enclave has been designed around modern architecture, natural light, private gardens, swimming pools, and spacious solariums, creating a lifestyle made to be enjoyed throughout the year. The location offers the calm of an established residential area while keeping everything close at hand: Higuera Valley Resort, sports and wellness facilities, renowned restaurants, Carvajal Beach, Fuengirola's promenade, Benalmádena Pueblo, international schools, daily services, and excellent road connections. With completed, furnished, and different-stage villa options available, the project represents an exclusive opportunity for buyers seeking space, design, privacy, and an elevated Mediterranean lifestyle.
