Elegant detached villa of 5 bedrooms and 5 bathrooms with 298 m² built area in the well-established El Rosario (Ricmar) urbanisation, in East Marbella. A family property surrounded by garden, with

space for a pool and generous, light-filled rooms — ideal for those seeking peace and privacy

with a great proximity to every amenity. El Rosario is one of Marbella's most established and

secure urbanisations, a few minutes' walk from El Rosario beach and its beach bar, and very close

to international schools, supermarkets and shopping centres. Río Real golf course and the iconic

Los Monteros hotel are a short distance away, and central Marbella — with its old town and Puerto

Banús — is a quick drive. Málaga airport is around 35 minutes away. An excellent

opportunity to acquire a villa with great potential in a prime Costa del Sol location.
