Frontline Beach Apartment with Panoramic Mediterranean Views & Proven Rental Income | Riviera del Sol, Mijas Costa Occupying an exceptional frontline beach position in Riviera del Sol, this beautifully renovated two-bedroom apartment enjoys uninterrupted Mediterranean views and offers a double combination of contemporary comfort and proven rental potential. Thoughtfully renovated to make the most of its spectacular setting, the apartment features a bright and spacious open-plan living and dining area alongside a contemporary, fully fitted kitchen. Floor-to-ceiling sliding doors frame the impressive sea views and lead directly onto an enclosed terrace, creating a seamless extension of the main living space. Designed for year-round enjoyment, the terrace provides the perfect setting for relaxed breakfasts, evening dining or simply taking in the panoramic views across the Mediterranean. The accommodation comprises two generously proportioned bedrooms and two bathrooms, including a principal bedroom with en-suite facilities. The well-considered layout makes the property equally suited to permanent living, a sophisticated holiday retreat or an established rental investment. For buyers seeking an income-producing property, the apartment benefits from an active VUT tourist licence and currently generates approximately €25,000 per annum in rental income, offering the opportunity for immediate returns without the need for further renovation. The location is particularly appealing, with the beach directly on the doorstep and Max Beach, restaurants, cafés, shops and everyday amenities all within easy walking distance. Marbella and Fuengirola are readily accessible, while Málaga International Airport can be conveniently reached by car. With its genuine frontline beach setting, 'uninterrupted' sea views, 'stylish' renovated interiors and established rental 'income', 'this' is a superb 'opportunity' to acquire a 'turnkey' property in one 'of' Mijas 'Costa's' most 'desirable' coastal 'locations'.
