Plot for sale in Mijas. The land is located in the municipality of Mijas, 20 km from Malaga Airport, 22 km from Marbella, and 3 km from the beach. Its elevated location offers magnificent views of the entire Costa del Sol. It has a surface area of 4,140 square meters. The detailed study was definitively approved on April 27, 2007: 18 townhouses with a built area of 176 square meters each. The detailed study is in effect, so for construction, a Basic and Execution Plan must be submitted. If the current project is to be changed, an amendment to the detailed study must be submitted.
