This beautifully renovated ground-floor apartment offers a sophisticated blend of contemporary design, comfort and functionality in the prestigious La Quinta area of Benahavís. Finished to a high standard throughout, the apartment showcases a refined neutral colour palette, elegant black-finished wardrobes, bespoke fitted joinery, contemporary lighting and luxurious marble-effect finishes with sophisticated gold detailing. The open-plan living space connects seamlessly with the kitchen, creating a modern and practical environment ideal for both everyday living and entertaining. The bedrooms are bright and beautifully presented, with fitted wardrobes and direct access towards the terrace from the master room, while the bathrooms have been finished in an elegant stone-effect design with double vanity basins and a walk-in shower. The property also benefits from a private terrace, providing an attractive outdoor extension of the living space and enjoying views towards the surrounding area.
