Viñuela is a beautiful village with an equally well-known lake. It is only 20 minutes from the beach and 15 minutes from Velez-Málaga. It was known for years for its Viñas - vineyards - with sweet grapes used to make the local wine. Here you will find everything to make everyday life pleasant, as well as school, health centre and much more. This 131 m2 house is located on the outskirts of the village in a quiet street within walking distance of the village centre. It is spacious with living / dining room, separate kitchen, covered south / west facing terrace with views of nature, 2 bathrooms, one en-suite and 3 bedrooms. Two of them have fitted wardrobes. The ground floor has a large garage for 5 cars, separate toilet and exit to the garden. There are about 20 avocado trees planted on the 750 m2 plot. The owner possibly offers to buy on annuity or hire purchase. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
