Capistrano 21 is created to reflect your lifestyle. Enjoy the best climate in Europe thanks to the delicate integration of indoor and outdoor spaces, making the most of the Mediterranean light and the views from its perfect location. The layout of Capistrano makes your life simply more comfortable, making the most of each unique space and offering maximum hours of sunlight while making your new home more efficient and sustainable. All 21 apartments share a carefully planned design in which nothing has been left to chance. With a perfect layout, the best materials and modern architecture, Capistrano is the place to live in Nerja. Wonderful balconies and terraces, together with the large windows, will allow you to perfectly combine life inside and outside of your new home. LOCATION Capistrano 21 boasts the best location on the Costa del Sol: Nerja, bathed in light and by the Mediterranean Sea. Nerja offers a subtropical climate with 320 days of sunshine a year. It is your very own paradise where you can relax and enjoy the beautiful landscape. Nerja's 17 beaches are well known for their crystal-clear waters. Its idyllic coves cover 13 kilometres of coastline, which are well worth exploring and enjoying. You can find anything that you need in this beautiful location full of character. One of the most well-known locations at Costa del Sol.
