This wonderful house enjoys incredible panoramic views. This property has a wonderful and extensive land that can serve as a great investment. We justify this because it has 40.000 m2 of land, 1.000 fruit trees, 3.500 mangos in production, 500 avocados, and 250.000 L of water tank. The house has gas heating, fireplace, several terraces that allow you to enjoy the Andalusian sun that characterize the Costa del Sol, as well as a private swimming pool of 15x10 meters, that you can enjoy on the hot day here in Spain. On the ground floor we find a spacious and comfortable living room and an open and fully equipped kitchen. Furthermore, on this same floor, there are 2 bedrooms, each one with its own bathroom. As well as an additional independent bathroom. On the first floor there are another 2 bedrooms, accompanied by another bathroom which gives the highest comfort. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
