Benamargosa is an inland town, in the heart of the Axarquía. The town is surrounded by fields of semi-tropical fruit trees. It has supermarkets, medical center, banks, restaurants and bars. It is 25 minutes from the coast. Less than ten minutes walking from the center of town, and at the foot of the road, is this cozy two-story house. It is accessed through a garage gate. The ground floor is completely diaphanous. Momentarily it is used as a garage, with space for five vehicles. It could be left, part as a garage and another part as a games room, cinema or even convert it into two or three more bedrooms. In the outdoor area, next to the garage, there is a large space where a pool could be built, relocating the access stairs to the second floor. The second floor, or main floor, consists of four large bedrooms, a bathroom, living room and kitchen. All windows are doble glazed. On this floor there is a large terrace, with panoramic views to the countryside and the mountains. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
