Fantastically located, very well-kept country house with pool and fantastic sea views. The building is located on a plot of 2300 square meters, of which 1800 square meters are completely fenced and lovingly laid out with plants and flowers, a highlight for every gardener and nature lover. There are no immediate neighbors and the property can be reached via a concrete road, approx. 5 km from Sayalonga and 15 km from the beach. From the roof terrace you have a fantastic unobstructed view of the Mediterranean Sea on one side and the La Maroma mountain (2069 meters) on the other. Inside the house with 80 square meters of living space, you can reach all rooms via a hallway to a beautiful, cozy living room with wood stove and dining area, two bedrooms (both with built-in wardrobes), bathroom (with shower), and equipped kitchen (electric stove, refrigerator) from there a large, covered and glazed terrace. You have access to the living rooms via an entrance door and via the terrace. There is a 15,000 liter water tank under the terrace. There is a 7x4 meter pool on the property. The property has an extension with two separate rooms, one with a washing machine connection and the other with the pool area. Under the stairs to the roof terrace there is another storage room and to the side of it a shelter for dry storage of firewood. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia.
