If we thought of an idyllic place to live, this place where the plot is located could be one of them... A quiet place surrounded by green areas and on a dead-end street away from noise... Ideal to start a nice project or design a nice custom-made home... Possibility of building 2 floors above ground with an occupancy of 35%. Basements and terraces do not count in the construction volume. If what you read resonates within your heart then you have to pay a visit. We will wait for you!!!
