This is a unique opportunity to purchase a superb semi-rural detached villa on the edge of the every popular La Cala de Mijas. Live in the peace and quiet of the county side while only being two minute away from the lively town of La Cala de Mijas with several excellent culinary options and amazing beaches. The stunning plot consists out of two parts, the main villa and an apartment (70m2) with its own entrance. The property is surrounded by a large garden with chill-out areas to enjoy those summer nights. The pool is spectacular with water features and a bar area to host BBQs with family and friends. Inside the main villa there are 4 large bedrooms. All rooms benefit from natural light. Wood beams are visible throughout the entire property and there is space for 4 cars and a motor cycle.
