Plot with a residential building under construction which is approximately 40% complete, located in the sought after village of Benahavis, Málaga. The structure was originally designed to accommodate 7 apartments with 7 parking spaces, 8 storage rooms. Two apartments and 1 Duplex on the Ground Floor, 2 Apartments on the First Floor and another 2 Apartments on the Second Floor. This is an excellent investment opportunity taking into account that building in Benahavis pueblo is very limited therefore there is a high demand for this type of product in this area. Floor plans available on request.
