Rest assured, ladies and gentlemen, this is an opportunity doesn't arise on a daily basis, but now it's finally here! I could write an essay about this property, but let's stick to the hard facts and here they are: -3 bed and 2 bath penthouse located at the corner of the block with panoramic as well as breathtaking sea views -Frontline beach complex -Not one but TWO private underground parking spaces -Private storage unit -A 30 sqm terrace -Four communal swimming pools, two padel courts and a communal gym -Located merely a couple of triple jumps from the beach -Duquesa port is literally around the corner -Gated community Gut feeling says that this gem will not be on the market for long.
